The **Bayside development property** (“Bayside”) is located in Pinellas County in the Tampa – St. Petersburg – Clearwater Metropolitan Statistical Area, one of Florida’s most densely populated counties. The Property is strategically situated within a 10-minute drive of the Interstate 4 and Disney World, and has convenient access to other major Orlando employment centers.

Both Projects are **zoning compliant and entitled**, with **advanced GMP budgets**. The REDT is targeting a compounded annual return of approximately **18% - 20%⁽¹⁾** paid upon the achievement of a Liquidity Event. With a targeted Term of **3.5 years⁽²⁾**, this equates to an expected total pre-tax gross return of approximately **80%⁽¹⁾**.

The Offering will be qualified by a prospectus and can be held in an investment account and is **registered plan eligible** (RRSP, RRIF, TFSA, FHSA, RDSP or RESP).

The Current Owner has invested over \$21 million to date, and the Offering will provide up to an additional \$52 million to the Projects, if the maximum offering is attained. There is significant **alignment of interests** with the Projects’ Current Owner through a Carried Interest structure with a return of 8% to investors payable prior to any Carried Interest, and the REDT is acquiring its interest in the Projects at the Current Owner’s **cost basis**, which represents a **discount of 25.8%** to its appraised value plus soft costs spent to date.
